Phoenix, AZ 85015

Re: Pinal County Adult Deferred Prosecution Program

Dear Ms. Cooney:

Pursuant to A.R.S. & 11-362, I am forwarding a report regarding the Pinal County Attorney's Adult Deferred Prosecution (ADP) Program.

The Pinal County Attorney's Office defers prosecution in cases where low risk defendants, who have been charged with crimes, participate in the ADP Program by completing community service, paying restitution if required, checking in monthly with the Diversion Officer, and attend counseling if necessary. If clients successfully complete all requirements of the program, their charges may be dismissed.

During the fiscal year, July 1, 2013 through June 30, 2014, the Pinal County Attorney's Office placed seven (7) individuals in the ADP Program. Two (2) individuals successfully completed the program and their charges were dismissed. To date, there are seventeen (17) active cases.

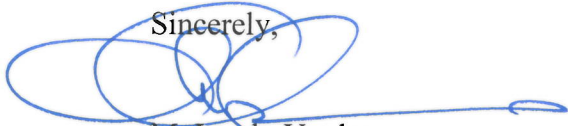

A breakdown of the crimes involved during the fiscal year is as follows:

Theft	3
Burglary	1
Shoplifting	2
Organized Retail Theft	4
Forgery	4
Dangerous Drug Possession	2
Unlawful Flight	1

The Pinal County Attorney's ADP Program continues to successfully ensure that participants in the program accept responsibility for their actions while providing them with an opportunity to have their charges dismissed upon successful completion of the ADP Program requirements. This in turn reduces additional expenses already placed on our court system. Furthermore, victims of crimes requiring restitution are reimbursed for their losses.

Please feel free to contact me should you have any questions. I may be reached at (520) 866-6602 or gerald.smith@pinalcountyaz.gov.

Sincerely,

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke extending to the right.

M. Lando Voyles
Pinal County Attorney

Gerald Smith
Diversion Officer
